RE: ROOF GUTTER PROJECT**

Dear Mr. Kaufman:

In my professional career as an Engineer, I have had numerous occasions to work on projects such as the one you recently completed for our fourteen (14) buildings in Boca West. I must commend you and your organization for an outstanding job. The workmanship and quality of your work was second to none. Most Impressive!

It was a pleasure doing business with you.

Yours truly,

Rudy Rutenberg, P.Eng.
