Boca Raton, Florida 33434

Dear Arthur:

I am writing to inform you of the great job your men did on the recent installation of gutters and downspouts at my home in Isola Bella Estates.

From the time of my first meeting with you and the follow up as well as the installation, everything was done so professionally and honest. You explained to me what was to be done in a clear and concise manner and the difference between the way you install the gutters as opposed to the way other companies do it. I am confident that your product and the way it was installed will last for a long time.

In addition, I was very pleased with your warranty, giving me 2 years of service and 20 years on the gutters themselves. I can rest easy knowing that you stand behind your work.

It was a pleasure doing business with you and you may certainly use me as a reference for those individuals who are looking to install gutters the proper way.

Again, thank you.

Sincerely,

Robert Ginsberg
