Dear Mr. Kaufman,

Please accept this letter as my personal thank you for the great job that you did in installing gutters on my home. The gutters were installed the very same week that you came out to give an estimate. I especially appreciated the fact that you were on site during the installation and supervised the entire time. Since I did have to work that day, this was especially helpful. I also appreciate the no money down and up to four months to pay term agreement. I was so completely satisfied with both the work and the customer service that I did recommend your company to a neighbor and a friend upon completion of the project. Finally, please accept my thanks for helping me find a reputable roofing company to make much needed repairs on my flat patio roof. Doing business with you has truly been a pleasure. Please accept my best regards for your continued success.

Sincerely,

Mary Lou Taff
