To: Arthur Kaufman Of Any Time Gutter & Screening, Inc.

It was a pleasure doing business with you and your crew. I was quoted a fair price for the gutters to be installed on my house. Your crew did the work shortly after you returned my call and stopped by my home (which was the same day). The men who installed my gutters were very polite and open to my input and consulted with me on several occasions. My house and yard was left as though no one had been there, with the exception of the bright new gutters which you put on the house.

You and your crew are a credit to your industry and I recommend that anyone considering new gutters should call Arthur for a quote and the knowledge he brings to the discussion.

Thank you for a job well done.

Best Regards,
