Dear Arthur,

Let us tell you upfront -- our house looks totally different now that you have the gutters up!

Yes, we had our roof completely replaced. But it did not look right -- it looked naked. Now, that you have installed our beautiful gutters, the home is "almost" perfect! But in all honesty, we do still have quite a few things to take care of to actually make it perfect and we will most definitely be contacting you in the future for references.

Your crew was wonderful! Very professional, courteous, tidy & very high on the level of workmanship. And, of course there was YOU -- you kept daily tabs on the progress. You really have a "fantabulous" company!

Best Regards,

George & Bev Schain
